CHANGING LIVES FOR GOOD

Located in Victorville,

the Victor Valley Rescue Mission offers a wide range of life-changing programs that address the whole person—body, mind, and spirit. We offer our services free of charge to members of our community who are experiencing poverty, hunger, or homelessness.

Our neighbors in need are often also experiencing other issues, like food insecurity, domestic violence, and physical, mental and sexual abuse. Without help, many of our most vulnerable community members would be unable to break free from poverty and homelessness. We provide a path of restoration for those who are seeking change.

Oftentimes it all starts with a hot meal. We offer free hot meals and fellowship to those in need. We also provide grocery assistance through our church food pantries.

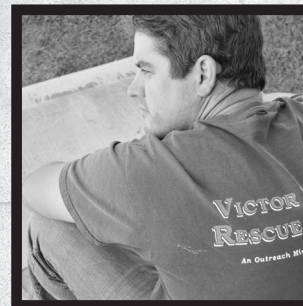

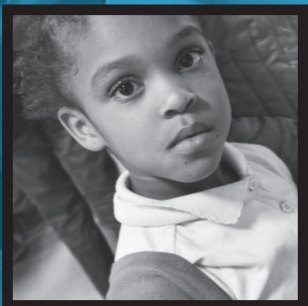

The Life Recovery Program offers those struggling with addictions the opportunity to recover physically and spiritually with biblically based recovery services and counseling. We partner with the winter warming shelter to help those in need when temperatures drop each year.

Our Survival Outreach Services program includes mobile showers and meals at our church and community partners throughout the High Desert.

Partnering with several county, city, and private agencies provides guests access to programs and services to alleviate homelessness, as well as community volunteer programs.

REFUGE. RECOVERY. *Restoration.*
